

### List of Meetings for the Student Project

- **03/03:** Meeting to present the different studies found by each person on the topic, and to allocate roles for the project.
- **05/03:** Second meeting to discuss and present the studies. We started listing possible strategies.
- **06/03 (in-person):** Each participant presented at least two strategies they found interesting. We agreed on the two strategies to be further studied.
- **11/03:** Meeting for drafting the abstract and the project proposal.
- **17/03:** Meeting between Hugo and Alexis for technical discussions, particularly on formatting our data for use.
- **25/03:** Everyone shared their progress on the project, and the action plan was precisely redefined for the next steps.
- **04/04:** Meeting between Marie-Zita and Joseph to set up the portfolio.
